## WE THE PEOPLE FOUNDATION

The We The People Foundation is committed to educating Americans about their Fundamental Rights and the history, meaning and power of the Constitution, the essential Principles of Liberty, and to confront and hold servant governments accountable where they have abused their delegated, limited authority.

## WE THE PEOPLE CONGRESS

We The People Congress is a nationwide, membership based organization of "constitutional activists" committed to "institutionalizing" citizen vigilance through civic education, monitoring government, and organizing programs of civic resistance to repel tyranny.

Based on the life work of Thomas Jefferson, the Congress is organized into local state and county "ward republics" and works closely with the WTP Foundation to secure Constitutional Order and Freedom.
