# Instructions for Form

and Schedules A, B, C, D, E, F, and SE

### Check Your Social Security Numbers (SSNs)!

Incorrect or missing SSNs for you, your spouse, or dependents may delay your refund. See page 7 for details on how to get an SSN.

# Can You Take the Earned Income Credit for 1994?

If a child didn't live with you, you earned less than \$9,000, and you or your spouse were at least age 25, you may be able to take this credit. If a child lived with you and you earned less than \$25,296, you may be able to take a larger credit. See the instructions for line 56 on page 27.

### Would You Like To Get Your Refund Within 21 Days?

If you would, have your return filed electronically as millions of others do. See **Electronic Filing** on page 5.

Note: This booklet does not contain any tax forms.
