IDAHO

Notice of Proposed Withdrawal and Reservation of Lands

OCTOBER 26, 1965.

The Department of the Army, Corps of Engineers has filed an application, Serial Number Idaho 016816, for the withdrawal of the lands described below, from all forms of appropriation under the public land laws, including the mining and mineral leasing laws and the issuance of grazing leases.

The applicant desires the land for use in connection with Asotin Reservoir project planning and the construction of the Asotin Dam to provide power and recreation with navigation facilities at a later date, together with the relocation of highways and public utilities.

For a period of 30 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal may present their views in writing to the undersigned officer of the Bureau of Land Management, Department of the Interior, Post Office Box 2237, Boise, Idaho, 83701.

The authorized officer of the Bureau of Land Management will undertake such investigations as are necessary to determine the existing and potential demand for the lands and their resources. He will also undertake negotiations with the applicant agency with the view of adjusting the application to reduce the area to the minimum essential to meet the applicant's needs, to provide for the maximum concurrent utilization of the lands for purposes other than the applicant's, to eliminate lands needed for purposes more essential than the applicant's, and to reach agreement on the concurrent management of the lands and their resources.

He will also prepare a report for consideration by the Secretary of the Interior who will determine whether or not the lands will be withdrawn as requested by the Department of the Army, Corps of Engineers.
