## VETERANS ADMINISTRATION

### Privacy Act of 1974; Amendment of Systems Notice Revised Routine Use Statements

Notice is hereby given that the Veterans Administration is considering amending two routine use statements (numbers 6 and 7) in the system of records entitled, "Patient Medical Records-VA" (24VA136) as set forth on

page 49739 of the Federal Register of September 27, 1977. It has been determined that these two routine use statements, as published, are more restrictive than the corresponding operating manual provisions. Accordingly, it has been decided to revise the statements to clearly provide for substantive discussion of protected medical information with families or appropriate other third parties. Revision of the two statements for these purposes is considered a necessary and proper use of data in this system of records.

Interested persons are invited to submit written comments, suggestions, or objections regarding the proposed routine use to the Administrator of Veterans Affairs (271A), Veterans' Administration, 810 Vermont Avenue, N.W., Washington, D.C. 20420. All relevant material received before June 28, 1979 will be considered. All written comments received will be available for public inspection at the above address only between the hours of 8 a.m. and 4:30 p.m. Monday through Friday (except Holidays), until July 9, 1979. Any person visiting Central Office for the purpose of inspecting any such comments will be received by the Central Office Veterans Services Unit in room 132. Such visitors to any VA field station will be informed that the records are available for inspection only in Central Office and furnished the address and the room number.

If no public comment is received during the 30-day review period allowed for public comment or unless otherwise published in the Federal Register by the Veterans' Administration, the revised routine use statements are effective May 21, 1979.

Approved: May 21, 1979.

By direction of the Administrator,

Rufus H. Wilson,

Deputy Administrator.
