Re: Record of the Citizens' Truth-In-Taxation Hearing

Dear Mr. McIlveeny,

Mr. Tony Malone from Monroe just called our office to inform us of his conversation with you today, in which you told him that you could no longer find the set of CD-ROMs, which contain the record of the Citizens' Truth-In-Taxation Hearing and which was delivered to your office on April 15, 2002, along with a demand letter from Mr. Malone and other constituents of congressman Cooksey's.

Enclosed is another copy of the set of CD-ROMs

Respectfully,

Robert L. Schulz
Chairman
