PRESS CONFERENCE:
THE LAST DAYS OF THE FEDERAL INCOME TAX

SEE IT LIVE FROM THE NATIONAL PRESS CLUB VIA FREE WEBCAST

On **April 8th at 1:00 p.m. Eastern**, there will be a press conference in Washington DC regarding the future of the federal income tax.

The press conference will be held at the National Press Club in Washington DC.

The event will be broadcast live (and **FREE**) via an internet webcast. Anyone with access to the internet will be able to watch the press conference by logging onto ConnectLive.com/events/wethepeople. *(It requires the free RealPlayer G2 software)*

At the press conference, the We The People Foundation will announce what actions the People will initiate on April 14th and April 15th, to lawfully end the federal income tax.

On February 27 and 28, 2002, in Washington DC, We The People sponsored the long-awaited Truth-In-Taxation Hearing. The hearing was but another step in the People's determination to expose the truth regarding the fraudulent jurisdiction of the IRS and the illegal operations of our nation's income tax system. Both DOJ and IRS broke their July, 2001 agreement and refused to testify at the hearing.

Instead, ex-IRS agents, attorneys and CPAs testified, under oath, to almost 500 questions directly challenging the legal jurisdiction of the DOJ to enforce income tax laws against ordinary Americans and the alleged legal authority of the IRS to force citizens to file returns, pay any taxes on their wages and to seize property without a valid court order. The testimony at the Citizens' hearing was disturbing and irrefutable. The government's failure to testify, as they are lawfully required, has provoked a constitutional crisis.

The hearing record removes any doubt that the nation's income tax system is unconstitutional in its origin, fraudulent and abusive in its operation, and ultimately repugnant to every principle of equal justice, due process of law and personal liberty that we cherish as Americans and that is required for our Republic to endure.

Please encourage your fellow countrymen to watch the free webcast of the press conference: **April 8th at 1:00 p.m.** ConnectLive.com/events/wethepeople
