PRESS CONFERENCE: THE LAST DAYS OF THE U.S. INCOME TAX SYSTEM

LIVE via Webcast from the NATIONAL PRESS CLUB in DC

On **Monday, April 8th at 1:00 p.m.**, there will be a press conference in Washington DC on the future of the federal income tax. The event will be held at the National Press Club.

The press conference will be broadcast live via web cast. Anyone with access to the world wide web will be able to watch the press conference for free by logging onto ConnectLive.com/events/wethepeople.

At the press conference, the We The People Foundation will announce what actions the People will initiate on April 14th and April 15th, to lawfully end the federal income tax.

On February 27 and 28, 2002, in Washington DC, the Foundation conducted the long-awaited Citizens' Truth-In-Taxation Hearing. The public hearing was to expose the truth regarding the fraudulent jurisdiction of the IRS and the illegal operations of our nation's income tax system. IRS and DOJ officials broke their agreement and refused to testify.

Instead, expert witnesses (including ex-IRS agents, CPAs and attorneys) testified under oath, to almost 500 questions directly challenging the legal jurisdiction of the Department of Justice to enforce income tax laws against ordinary Americans and the legal authority of the IRS to force citizens to file a return, pay or withhold income taxes and to seize property without a valid court order. The testimony and evidence is disturbing and irrefutable. The government's failure to testify has provoked a constitutional crisis.

The legal record of the hearing removes all doubt that the nation's income tax system is unconstitutional in its origin, unlawful and abusive in its operation, and ultimately repugnant to every principle of equal justice, due process of law and personal liberty that we cherish as Americans, and that is necessary for our Republic to endure.

Witness the demise of the income tax system as the fraud is exposed to the People. Join the press conference on ConnectLive.com/events/wethepeople. **April 8th at 1 p.m.**
