Verse 1:

**If you care about America, and all that she can be;
And, if you'd stand beside your country and defend her liberty.
And, if you'd rather fight for freedom, than to die in tyranny;
Join Freedom Drive 2002 'cause we believe in You.**

Chorus 1:

**The Freedom Drive is for America and all that we can be;
The Freedom Drive is for the Patriot who loves our Liberty.
So if you stand with us for freedom there's a Patriot in you;
Join Freedom Drive 2002 'cause we believe in you.**

Chorus 2:

**Because you'll care about America and all that we can be;
Because you'll stand beside your country and defend her Liberty.
Because you'll fight with us for freedom, you're a Patriot true blue;
Join Freedom Drive 2002 'cause we believe in you
Join Freedom Drive 2002 'cause we believe in you
Join Freedom Drive 2002 'cause we believe in you**
