D. The Software Implementation Process Team (S2LA).

E. The Technology Support Process Team (S2LB).

Establish:

F. The Electronic Service Delivery Process Team (S2LC). Section S2L.20 *The Office of Automation Support—(Functions)*:

Amend to read as follows:

A. The Associate Commissioner, Office of Automation Support (S2L).

B. The Deputy Associate Commissioner, Office of Automation Support (S2L).

C. The immediate Office of the Associate Commissioner, Office of Automation Support (S2L).

D. The Software Implementation Process Team (S2LA).

E. The Technology Support Process Team (S2LB).

Establish:

F. The Electronic Service Delivery Process Team (S2LC).

1. Serves as the focal point for user components to define operational requirements for electronic service delivery initiatives/issues. Examples of such initiatives include internet and intranet access and application development, data exchanges with local, State and Federal agencies and walk-up information systems in a kiosk environment that are self-service, client-initiated and client-specific.

2. Supports field components in integrating electronic service delivery technology into day-to-day environments.

3. Identifies operational needs and works through other Central Office components to plan, direct and evaluate the expansion of SSA monthly benefit applications and other documents that can be completed and submitted for processing via the internet.

4. Consistent with operational needs, works to promote the Agency's purchase of electronic data from private/commercial sources for use in SSA application processes.

5. Works with other SSA components to ensure that operational needs are addressed in the development of policies governing the Agency's optional use and acceptance of electronic documents and signatures.

Dated: August 17, 1999.
