The amended subparagraph reads as follows:

§ 421.2346 Settlement—(a) Settlement value—(1) Farm-storage loans. In the case of corn delivered to CCC under farm-storage loans grading No. 3 or better, or No. 4 on the factor of test weight only, but otherwise grading No. 3 or better, settlement shall be made at the applicable support rate for the county in which the corn was produced. The support rate shall be for the grade and quality of the total quantity of corn eligible for delivery subject to premiums and discounts shown in § 421.2347 (b) (3). The settlement value of corn which upon delivery grades below No. 3 (except for corn which grades No. 4 on test weight only, but otherwise No. 3 or better) shall be the applicable basic county support rate without reference to any premiums or discounts less the difference, if any, at the time of delivery, between the market price of corn grading No. 3 (without any premiums or discounts for the factor of moisture) and the market price of the corn delivered,

as determined by CCC: *Provided, however*, That if such corn is sold by CCC in order to determine its market price the settlement value shall not be less than such sales price: *And provided further*, That if upon delivery the corn contains mercurial compounds or other substances poisonous to man or animals, such corn shall be sold for seed (in accordance with applicable State seed laws and regulations), fuel or industrial uses where the end product will not be consumed by man or animals, and the settlement value shall be the same as the sales price, except that if CCC is unable to sell such corn for the use specified above, the settlement value shall be the market value, as determined by CCC, as of the date of delivery.

Field Notes of Public Land Survey, Volume 454, page 644, of the Colorado Survey Office of the BLM, is reserved for roads and for public utilities in accordance with Title 43 CFR 257.17 (b) and for access to Lake San Cristobal. This right-of-way reservation comprises the approximate area lying between the west boundary of the existing county road and the shore line of Lake San Cristobal. Final Certificate and patent will be issued subject to section 24 of the Federal Power Act.

5. Persons who have acquired a tract under the Small Tract Act are not qualified to purchase this tract at the sale unless they can make a showing satisfactory to the Bureau of Land Management that the acquisition of another tract is warranted in the circumstances.

6. The above-described tract will be sold at public auction at a public sale to be held in Room 367, New Custom House, Denver, Colorado, at 10:00 a. m. and 2:00 p. m. on September 11, 1958. The sale at 10:00 a. m. will be open only to those persons who qualified for veterans preference under the provisions outlined in paragraph 9 below. The 2:00 p. m. sale will be open to the public generally, but will be held only if the tract described in paragraph 2 above remains unsold after the 10:00 a. m. sale. Bids may be made personally by an individual or his agent at either sale, or by mail. Bids sent by mail will be considered only if received at the Colorado Land Office prior to 10:00 a. m., September 11, 1958. No bid will be accepted if it is less than the appraised price of the tract. See paragraph 4 above for appraised value.

7. To facilitate the completion of the sale, all oral bidders at the 10:00 a. m. sale should bring with them a photostatic copy of their discharge papers or other acceptable certification of proof of right to veteran's preference, as outlined in paragraph 9, below.

8. Each bid sent by mail must clearly show: (a) The full name and mailing address of the bidder; (b) Classification Order No. 31; (c) The legal description of the tract for which the bid is made, described in accordance with paragraph 2 of this Order. Each bid must be accompanied by the full amount of the bid in the form of a certified or cashier's check, post office money order, or bank draft, made payable to the Bureau of Land Management. All unsuccessful bids will be promptly returned after the sale. A photostatic copy of bidder's discharge papers or other certification showing proof of veteran's preference, as outlined in paragraph 8 below, must accompany the bid. Such papers will be returned promptly after the sale. Each envelope containing a bid must be addressed to the Manager, Land Office, Bureau of Land Management, Room 371, New Custom House, P. O. Box 1018, Denver 1, Colorado, and carry in the lower left-hand corner of its face the following information and nothing else: (a) "Bid for Small Tract"; (b) "Classification Order No. 31"; (c) "Veteran's Preference"; if the bidder is entitled to

such preference; and (d) the description of the tract for which the bid is made, described in accordance with paragraph 2 above. Sender's name and return address should be shown on reverse side of envelope.

9. In accordance with 43 CFR 257.14 (e), the tract, when offered at the 10:00 a. m. sale, will be awarded to the highest bidder among persons entitled to veteran's preference. Persons entitled to veteran's preference, in brief, are (a) honorably discharged veterans who served at least 90 days after September 16, 1940; (b) surviving spouse or minor orphan children of such veterans; and (c) with the consent of the veteran, the spouse of living veterans. Veterans who were discharged on account of wounds or disability incurred in the line of duty, or the surviving spouse or minor children of veterans killed in line of duty are eligible for veteran's preference regardless of whether such servicemen served less than 90 days after September 16, 1940. The tract will be offered at the 2:00 p. m. sale if it is not sold at the 10:00 a. m. sale, and will be awarded to the highest bidder among the general public irrespective of qualifications upon which veteran's preference is based.

10. Mrs. Montana Yaw, 3269 Julian Street, Denver, Colorado, claims an equity in a house and other improvements on this lot. In the event Mrs. Yaw is not the successful bidder for this tract, she will be allowed a reasonable period of time from September 11, 1958, the date of sale, within which to remove any improvements that can be removed without substantial damage to the land or the improvements. Any other person acquiring this lot as a result of this sale will be required, as a condition precedent to issuance of final certificate and patent, to reimburse Mrs. Yaw for the reasonable value of all the permanent improvements which are left on the land and which are of value to the persons taking over the land. Proof of such reimbursement must be filed with the Land Office Manager, Bureau of Land Management, Room 371, New Custom House, P. O. Box 1018, Denver 1, Colorado. In the absence of agreement between the owner of the improvements and the purchaser at public auction, the Bureau of Land Management will determine the fair and reasonable value for the improvements upon the land for which compensation must be paid.

11. Sealed bids will be opened in the presence of the public in Room 367, New Custom House, Denver 1, Colorado, beginning at 10:00 a. m. on September 11, 1958. The highest sealed bid received for the tract will be posted for public inspection at the sale.

12. All inquiries concerning this tract should be addressed to the Land Office Manager, 371 New Custom House, P. O. Box 1018, Denver 1, Colorado.

J. ELLIOT HALL,
Lands and Minerals Officer.
